GUIDELINES

- All applications must be accompanied with full payment of \$1,600. If vendor cancels on or before JUNE 2ND fee will be reimbursed minus a \$100 administration fee. In the event that Vendor Application is not accepted by committee, payment will be reimbursed in full. Payment does not guarantee the right to participate in 2017 Stars and Thunder – Timmins International Fireworks Competition and Festival.
- The Steering Committee will review all applications at which time you will be notified of your eligibility to participate.
- Once menu is approved, no changes can be made without approval.

EXCLUSIVITY AGREEMENT INFORMATION

The Steering Committee reserves the right to implement exclusivity agreements which could have material impact on your operation. The Steering Committee has entered into an exclusivity agreement with Pepsico and as such Food and Beverage Vendors are asked to honour this agreement should they choose to sell any cold beverages. Only beverages supplied by Pepsico and purchased from the Festival Committee will be allowed for sale from the festival venues. Food vendors will not be allowed to sell cold beverage products not purchased from the Festival Committee. No other cold beverage product will be allowed for re-sale. The following are the only brands to be sold on site: Pepsi products including Pepsi, Diet Pepsi, 7Up, Brisk Ice Tea, Mountain Dew, Aquafina water, Rockstar and Gatorade. The Steering Committee will be purchasing an inventory of these products from Pepsi for resale to the food vendors. The Steering Committee will confirm at a later date the retail price to be set for the product in order to establish consistent pricing throughout the park. The committee will ensure that a \$1.00 profit margin is maintained per unit sold. Each Food and Beverage Vendor selling cold beverages will be provided with a Pepsi branded cooler. This exclusivity rule will be strictly enforced.

**All Applicable Fees Must Be Paid In Full by noon on JUNE 2ND 2017

POWER REQUIREMENTS

Determining the proper power requirements is crucial from the standpoint of fire hazard, safety or electrical equipment maintenance. The Electrical cords that are used at the Festival site can only handle between 1200 and 1500 watts. Too much wattage usage for a prolonged period of time can cause the insulation on the extension cords to melt. Here are some typical values for appliances (as a reference) when determining your power requirements:

CSA Approved equipment ONLY - no U.L. equipment ALLOWED

| | |
|-----------------------------------|--|
| Microwave - | 0.7 cu. ft. = 800 watts is required to operate – |
| | 0.9 cu. ft. = 900 watts is required to operate – |
| | 1.0 cu. ft. = 1000 watts is required to operate |
| Hot Plates = | 800 watts is required to operate (minimum) |
| Electric Skillets (deep fryers) = | 1300 watts is required to operate |
| Electric Ovens = | 1300 watts is required to operate |
| Single Coffee Pot = | 1200 watts is required to operate |
| Double Coffee Pot = | 1500 watts is required to operate |

From these values, you can see that if two or more of these appliances are operating at the same time on the same extension cord, the circuit breaker will trip; power will be shut-off and may cause permanent damage to your equipment.

220 VOLTAGE:

When using 220 voltage appliances, please specify the type of plug that is at the end of your cord as well as noting the appropriate amperage. We can only plug-in standard type plug-ends. The Festival site is presently able to accommodate up to 50 amps of service.

FOR ALL ELECTRICAL REQUIREMENTS – PLEASE INDICATE ANY AND ALL INFORMATION ON YOUR APPLICATION FORM!
